

# The Sundarbans House Website Design challenge

*Build Our Home. Define Our Brand. Represent Your Region.*

## Core Concept

A 5-day, 100% online competition where teams (from different Sundarbans regions) compete to design-build and customize the new landing page for the Sundarbans House. The winning submissions will be used as the foundation for our official house website.

Design a single, beautiful, and functional landing page that serves as the "digital front door" for our house

**✗** No use of generic tools like lovable, bolt etc. Your team may be disqualified for this.

**Orientation :** Nov 6 @ 9:30PM

**Challenge dates :** Nov 7- Nov 11 @ 10 PM

### **The Theme & Problem Statement (Fixed):**

- **Theme:** The Official Sundarbans House Landing Page
- **Problem Statement:** Your mission is to design or build a single, beautiful, and functional landing page that serves as the "digital front door" for our house. It must be welcoming to new members and informative for current ones.
- **Required Sections:**
  1. **Hero Section:** A powerful welcome message, our logo, and a clear "Join Our Community" button (which links to the membership form).
  2. **"Who We Are" Section:** A brief, energetic description of the Sundarbans community spirit.
  3. **Upcoming Events:** A simple, clean section to showcase 2-3 upcoming workshops or events.
  4. **Meet the Team:** A small section to feature the core team leads.
  5. **Footer:** With links to our grading document, social media channels, and other official IITM resources.

### **Team Structure:**

- **Size:** Teams of 1-3 students.
- **Regional Mandate:** All team members **must** be from the **same region** of Sundarbans house to build regional pride.

### **Submission :**

1. You can submit figma prototype with view access **OR** You can submit frontend based code (if it is on github please use public repo to share) .
2. **Mandatory-** Every team should submit **<90 second** only video to explain the complete project. (*you can use [loom](#), any other screen recorder to record the project explainer video*)

### **Finally what would you get after this**

Official recognition on the leaderboard of Sundarbans House and official Certificates from Sundarbans House Council.
